Direct Air Arabia flight inaugurated between Milan Bergamo Airport and Cairo Airport

Today saw the inauguration of the scheduled route to Cairo from Milan Bergamo Airport, operated with an Airbus 320 by Air Arabia and offering two weekly flights on Mondays (departing at 11:00 a.m. and arriving in the Egyptian capital at 3:40 p.m.) and Fridays (taking off at 7:00 a.m. and landing at 10:10 a.m.).

The programming of these flights provides a response both to the needs of those travelling for business, covering the working week with flights to and from both destinations, and of those looking to spend a weekend discovering Cairo or Bergamo and the rest of the Lombardy region.

From 16 December there will be a third weekly flight on Wednesdays, rendering the route even more flexible.

On these flights, Air Arabia is offering an in-flight meal and a baggage allowance of 30 kg.

Air Arabia already operates routes from Milan Bergamo to Casablanca (five times a week) and Alexandria (twice a week, on Fridays and Sundays).
