

25 March 2022

**On 16 May 2022, AnadoluJet will begin operating the
route between Milano Bergamo and Istanbul
Sabiha Gokcen**

AnadoluJet, a subsidiary of Turkish Airlines, has announced that as of 16 May 2022, it will begin operating flights between Milano Bergamo and Istanbul Sabiha Gokcen airports. Flights will operate on a daily basis with a 189-seat 737-800. Tickets will be available from the AnadoluJet website ([anadolujet.com](https://www.anadolujet.com)) as well as the Turkish Airlines website ([turkishairlines.com](https://www.turkishairlines.com)).

As well as offering direct access to Istanbul, Sabiha Gokcen airport also provides connecting flights to domestic destinations in Turkey as well as international destinations including Baku, Tbilisi, Teheran, Bagdad, Dubai, Bahrain, Damman, Jeddah, Kuwait, and Tel Aviv City, all served by the AnadoluJet/Turkish Airlines network.
