AEROITALIA RETURNS WITH THREE DAILY FLIGHTS ON THE MILAN BERGAMO-ROME FIUMICINO ROUTE

On Monday 15 May, Aeritalia recommenced operation of three daily return flights between Milan Bergamo and Rome Fiumicino airports. The schedule has been studied to allow passengers to fly to the capital and return at the most popular times, even in one day, and to guarantee connections and ongoing flights via Fiumicino to the Italian airports of Olbia, Alghero and Palermo (the latter from 1 June), as well as to Bucharest and Bacau in Romania.

The flights are operated with De Havilland Dash DHC-8-Q400, 78-seater aircrafts, belonging to the partner airlines SkyAlps, guaranteeing rapid connections and elevated standard of on-board comfort.

Flights from Milan Bergamo depart from Mondays to Fridays at 6.50 a.m., 11.20 a.m. and 6.50 p.m., and from Rome Fiumicino at 9.05 a.m., 1.35 p.m. and 9.05 p.m. On Sundays, only the evening flight will be available.

At the same time, Aeritalia has launched the summer programme from Milan Bergamo, introducing connections to Comiso on Mondays, Wednesdays, Fridays and Sundays.
