MILAN BERGAMO AIRPORT: 30 MINUTES FREE PARKING AT CAR PARK P3

SACBO, the company managing Milan Bergamo Airport, and ViaMilano Parking, the contractor responsible for official parking in Bergamo Airport, have confirmed the continuation of the opportunity, offered to drivers who travel to the airport to pick up passengers, **to use car park P3 as a free waiting area for a maximum of 30 minutes.**

The move was introduced during the summer to facilitate the management of cars coming to the airport to pick up incoming passengers and combat abusive parking on the airport access road. Drivers waiting for incoming passengers can go to car park P3, picking up the ticket that has to be used within 30 minutes in order to leave the car park free of charge.

This period of waiting time has been granted in order to regulate the flow of traffic and allow profitable use of short-stay car park P1, where 10 minutes free parking is allowed, sufficient for those who simply want to pick up passengers and luggage.
