## **SACBO ANNOUNCES THE DEATH OF ITS PRESIDENT ROBERTO BRUNI**

It is with immense sadness that SACBO, the company managing Milan Bergamo Airport, announces the death of its president, Mr. Roberto Bruni, who has passed away following a long battle with illness.

The board of directors and the board of statutory auditors, the management and staff of the company, together with the president, managing director and staff of the subsidiary BIS, reflecting the sentiments of the entire airport sector, express their deepest condolences to his family and recall his spirit of service as well as the attention, selflessness, sensitivity, constant openness to dialogue and climate of trust that Roberto Bruni applied to his role, which began in May of 2017 and ended far too soon.

His personal and professional contribution allowed the airport to carry its projects forward and achieve new and significant results, setting out the conditions to continue with further stages of the development and adaptation of the airport.
