

CERTIFICATE of ACCREDITATION

Valid until 6th August 2028

This is to certify that **Airport Carbon Accreditation**, under the administration of Environmental Minds, confirms that the carbon management processes at

MILAN BERGAMO AIRPORT

Implemented by **SACBO S.p.A.**

have earned the accreditation of **LEVEL 4**, in recognition of the airport's exceptional work in aligning its carbon management with global climate goals to reach absolute emissions reductions and establishing related partnerships with its business partners, as part of the Global airport industry's response to the challenge of Climate Change.
