

PRESS RELEASE

The SACBO Board of Directors approves the Consolidated Interim Report of 31 March 2016

27.5 MILLION IN REVENUE, + 124% IN PROFITS

The SACBO Board of Directors has approved the Consolidated Interim Report of 31 March 2016, which examines the trend in aviation and non-aviation commercial activity, and operative and financial turnover achieved by the Milan Bergamo Airport in the first quarter of the current year.

Passenger movement, which reached 2 million 387 thousand, corresponds to a growth of 10.4% compared to the January-March 2015 period.

Activities carried out by SACBO have generated a total revenue of **27.5 million (+11%)** compared to the first quarter of 2015. The difference between income and production costs is 3.9 million, an increase of 144% in comparison to the corresponding period last year. The net consolidated profit for the first three months of the current year is 2.6 million, with an increase of 124% compared to recorded results for the January - March 2015 period. In this context, the contribution of retail & food commercial activities inside the airport is notable, having reported growth of 32% on a quarterly basis.

The index of flight punctuality has also improved significantly, exceeding 90%.
